AND NOW, this 6th day of **February, 2012**, it is hereby  
**ORDERED** that Plaintiffs' Objections to Magistrate Judge  
Strawbridge's December 20, 2011 Discovery Order are **OVERRULED.<sup>1</sup>**

---

<sup>1</sup> Magistrate Judge Strawbridge's December 20 Order (01-MD-875, Doc. No. 8330) ("December 20 Order") implements Judge Strawbridge's previous Order of December 9, 2011 (01-MD-875, Doc. No. 8306) ("December 9 Order") and lengthy Memorandum Opinion of December 13, 2011 (01-MD-875 Doc. No. 8313) ("December 13 Opinion"). In his December 20 Order, Judge Strawbridge reiterated that "Defendants were entitled to the discovery of materials necessary to measure 'positive' and/or 'negative' rates, and of materials regarding the daily volume of screenings performed by each diagnosing doctor." (December 20 Order at 1) (internal quotations omitted). Judge Strawbridge further outlined procedures through which Plaintiffs and certain physicians -- who performed such procedures as B-readings of Plaintiffs -- are to provide certain Defendants with notes and other information. (See *id.* at 2-4). Judge Strawbridge came to his conclusion after months of hearings and conference calls with Plaintiffs and Defendants.

Plaintiffs argue that Federal Rule of Civil Procedure 26 precludes discovery of records for B-readers and related matters. (Pls.' Obj. at 1). They argue that Defendants cannot show "substantial hardship" or "exceptional circumstances"; there is no scientific methodology or purpose; the breadth of the production is overly broad; and Defendants should bear the costs of such production. (*Id.* at 4). These are the same arguments that Plaintiffs have made before Judge Strawbridge on several occasions, including in their original motions for a protective

order, and again in their motions for reconsideration before filing the instant objections.

By statute, a United States district judge may "reconsider any pretrial matter under this subparagraph (A) where it has been shown that the magistrate judge's order is clearly erroneous or contrary to law." 28 U.S.C.A. § 636(b)(1)(A). This is the standard of review that applies to Plaintiffs' instant objections, as Judge Strawbridge's various orders at issue here were discovery orders. The Court finds that Plaintiffs have failed to show that Judge Strawbridge's Orders were clearly erroneous or contrary to law. Rather, Judge Strawbridge made calculated decisions, fully within the bounds of Rule 26, to require Plaintiffs to produce certain information relating to Plaintiffs' health and work history and screening by certain physicians.
